I understand he's served a term  
in prison. That's true, but it was  
for an offense involving a million  
dollars or more; nothin' really di-  
geous, you know.

Cows or horses fed up here  
best of cows to fall away.

Winter feed and never cheap build  
a silo.

Build, it wide and build it deep.

Cording to the paws you keep.

Then for milk, you'll never want.

So build a silo?

That's the burden of my song...  
build a silo.

If you've cows you can't go wrong,  
build a silo.

Milk will flow and smiles 'll come  
With the separator 'bum.

And you'll shout, I'm glad by gum,  
I built a silo.

Lakewood Progress.

A. J. Scaff one of our progressive  
stock farmers is putting up a 200-  
ton silo, and we hope to see another  
put up here on the Plains in  
the near future. With the experi-  
ence we have had of the benefit  
to be derived from silo's we be-  
lieve they will be a great help to  
the stock raisers in this country.
